The Arts in Every Classroom: A Video Library, K-5 showcases art specialists and classroom teachers using the arts in a myriad of activities. The fourteen half-hour videos are grouped into four content categories: Introducing Arts Education, Art Specialists at Work, Arts in the General Classroom, and Organizing for the Arts. Each section offers new ideas for the veteran teacher as well as the newcomer. Principals, visiting or resident artists, parents, and members of the community also participate in the planning and implementing of programs. Not only will this course demonstrate skills for teaching various aspects of arts education, it is also useful for meeting learning goals defined by the National Standards for Arts Education.
