The ***Essential Science for Teachers: Life Science*** course is designed around Annenberg/CPB Professional Development Workshops. Designed to help teachers enhance their understandings of “big ideas” in the life sciences, this course explores topics that range from the molecules of life to the complexities of an entire ecosystem. Video examples, colorful graphics, lively animations and other demonstrations are used as learning tools to bring meaning to the content addressed. *ITV is not responsible for the content of this course. Annenberg Media is the originator of this course material.

Course Requirements

Participants are required to:

1. Register online at www.itv.scetv.org. Print registration form and mail with check for \$50.00 **payable to SCDE** (SC Department of Education). When payment has been received, printed materials and DVDs will be mailed to the address on your registration form. Mail printed registration form and check to:

Bonnie McMurray
